FIRST TIME USERS

1.1 - Go to www.vantagestarcars.com.au via the link on the Vantage Management site or go directly by typing in www.vantagestarcars.com.au

1.2 – Create a USERNAME and PASSWORD by clicking on REGISTER (at top of the page under the header) and create an account. Once you have finished and clicked SUBMIT then FINISH you will be sent an email to your nominated address. You will need to click on the Verification link in the email before you can be recognized by the Star Cars website.

1.3 – Go to www.vantagestarcars.com.au and click LOGIN using your USERNAME and PASSWORD. Make note of these in a secure place as you need them to LOGIN on future visits to the Star Cars website.

ADDING A NEW CAR

2.1 – Go to www.vantagestarcars.com.au and make sure you are Logged in using your Username and Password previously created. LOGIN link is at the top of the page.

2.2 – To add a car click on MY CARS at the top of the page. Then click on ADD NEW CAR at the bottom of the page.

2.3 – Fill out the details about you and the car you are listing as per instructions. Once finished click on SUBMIT PROFILE. You will be taken to a page that says ADD PICTURES TO YOUR CAR or LIST of MY CARS.

2.4 – Click on ADD PICTURES and then select from the drop down box the car you are adding pictures to (if you have listed more than one) then add pictures by clicking BROWSE and selecting the picture you wish to put in from your computers file. The first photo you select in Image 1 space will be the 'Display' photo for your car. Make sure it is the best one to attract attention to your car.

IMPORTANT – Make sure your picture files -

-Are Jpeg or GIF files

- Do Not contain symbols (% \$ * & etc) in the file name, pictures with these will come up as small red cross on the website.

- Are less than 1.0Mb in size. Ideally 250kb are perfect. Larger the image the more time it takes to upload to our website. 600 pixels on the long side is a good guide. If you need to resize images we recommend the website – www.shrinkpictures.com or try adding them one at a time.

- Are cropped to fit your car nicely. Also, If you want the number plates blanked out you will need to do it. We are unable to edit your images.

2.4 (cont.) – You can select up to 5 images at a time to upload. (One per box).

HINT – Ideally we are looking for pics that show off the car well. Four different exterior shots and a good interior shot are ideal. You can add more if you wish.

2.5 – Once you have all your images selected click on SUBMIT. Depending on the size of the images you are uploading **the transfer of images could take a few minutes**. Please be patient and DON'T press any buttons or go back. Once the pictures have loaded you will be taken to a new page when you can select ADD MORE PICTURES TO YOUR CAR or MY CARS. You can add more pictures by clicking ADD MORE PICTURES and repeat the process listed in 2.4. If you would rather check out the car's profile click on MY CARS.
